

# How can I view Myplace using 'incognito' or 'private browsing' to see what my page looks like?

## Problem

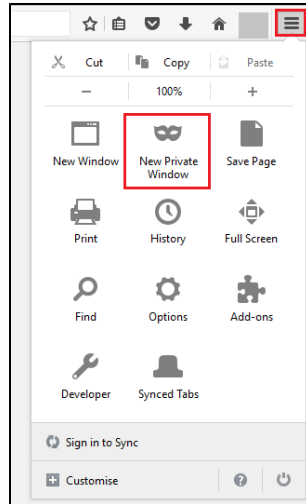

You want to view your page as a person not logged in to Myplace.

1) In Google Chrome click on the 3 dots in the top right hand corner and click the 'New incognito' option.

Click Any Image Below To Enlarge

2) In Mozilla Firefox click the 3 bars in the top right hand corner and click the 'New Private Window' option.
