

Live Teaching

- [1. Live Lectures \(One to many teaching broadcast\)](#) — This guide will help you to set up and conduct a 'Zoom Meeting' in MyPlace so your students can join the session.
- [2. One-to-one meetings / consultations](#) — You may, of course, choose to have one-to-one communication with students via email, phone, or Skype for Business. However, **Zoom Meetings** will allow you to have one-to-one meetings where you and your student will have the option to share screens to show each other slides, documents or diagrams.
